I've come to a frightening conclusion that I am the decisive element in the classroom. It's my personal approach that creates the climate. It's my daily mood that makes the weather. As a teacher, I possess a tremendous power to make a child's life miserable or joyous. I can be a tool of torture or an instrument of inspiration. I can humiliate or heal. In all situations, it is my response that decides whether a crisis will be escalated or de-escalated, and a child humanized or dehumanized." — **Haim Ginott**

1. Aims

1.1

This policy is designed to provide a consistent approach to all aspects of behaviour and attitudes at Abbeyfield School. Our focus is to maintain and uphold an atmosphere where students can fulfil their academic potential and develop fully as individuals. We recognise that there are occasions when behaviour falls below our high expectations and students' needs and difficulties are considered to safeguard their interests and that of others. The guidelines within this policy outline our processes when behaviour is unacceptable, impacts the learning environment and prevents staff from teaching and children from learning.

1.2

To ensure that we maintain excellent pastoral support for our learners and the Abbeyfield community, it is essential that all stakeholders work cohesively. Developing and maintaining strong links with the parents of our students is essential and having their support and understanding is crucial. The Form Tutor and Heads of Year (HoY) for each Key Stage, have responsibility on a day-to-day basis for the overall well-being of each student. We support students in developing secure and trusting relationships with members of staff and with each other.

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting students with medical conditions at school](#)
- [special educational needs and disability \(SEND\) code of practice](#)
- [sexual-violence-and-sexual-harassment-between-children-in-schools-and-colleges](#)

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its students
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate students behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate students' property

3. Overview

We are aspirational in our vision of education at Abbeyfield School and set high standards for our students and expect them to be responsible for their own behaviour. They should have respect for themselves, for others and the environment in which they work. This extends to positive behaviour for learning both in and out of the classroom. Students must demonstrate the drive to be punctual, complete classwork to the highest standard, attempt and complete homework, be well organised, have good attendance and wear the uniform with pride. We endeavour to acknowledge and reward good behaviour and have a system of rewards for doing so.

4. Abbeyfield Principles and Expectations

4.1 The Abbeyfield Way - Principles of Positive Behaviour (see Appendix 1)

The intent of the Abbeyfield Way is to ensure that our students understand our expectations and are fully absorbed into the beliefs and ethos of the essential traits that make an outstanding learner.

We want to ensure that all members of the Abbeyfield Community work together to create and uphold an environment in which all stakeholders can learn and exceed their potential.

The principles will be implemented throughout all aspects of school life and the curriculum to enable all students to develop their character and work towards being great scholars.

The focus will be on the **Three R's**:

- **Respect**
- **Resilience**
- **Responsibility**

4.2 The Abbeyfield Learner - Respect, Resilience and Responsibility

The expectation is for our students to not only be successful in their aspirations but to be prepared for the world beyond the school gate and to develop their character so that they are fully equipped for their next stage in life. The Abbeyfield learner is an integral part of school life at Abbeyfield and one that should have an impact on all learners in some shape or form. All students will be expected and supported to work towards being an Abbeyfield Learner; the traits can be seen in the table below.

RESPONSIBILITY	RESPECT	RESILIENCE
Organisation Productivity Reflective Independent	Communication Polite / Well-mannered Grateful Empathetic	Determination Willingness to Fail Courageous Aspirational

4.3 Attendance and Punctuality

Abbeyfield is required by law to keep a record of student attendance. It is essential that we have an accurate record of who is in school, for safeguarding of students. Good attendance and punctuality are essential for good progress and are skills for later life.

(See Attendance Policy for further guidance)

4.4 Homework

Research demonstrates that home learning (or homework) significantly improves the chances of a student achieving their potential and therefore work should always be completed to the best of a student's ability and returned on or before the deadline set by the teacher. If a student has difficulty in completing a homework task, they should contact their teacher or tutor to discuss the issue.

(See Home Learning Policy for further guidance)

4.5 Uniform and Appearance

All students are expected to wear correct school uniform as it plays an important part in establishing a community spirit and encourages students to take personal pride in their own appearance. They are expected to wear it on the way to and on the way from school each day. The school expects that the appearance of all students will reflect credit on the individual, the family, and the school itself.

A copy of the uniform list is available separately and includes expectations on the amount and type of jewellery that can be worn as well as items and hairstyles that are not permitted.

Students who fail to meet uniform expectations will be treated in line with school behaviour and disciplinary procedures and parents/carers will be contacted to support the school accordingly.

(See Uniform Policy for further guidance)

4.6 Preparation for School and Organisation

Planning for the following day is essential. Students must ensure homework is complete and necessary equipment is packed ready for the following days lessons. Students should be ready and prepared to learn from the start of the school day.

The Abbeyfield Way is displayed in all classrooms with Tutors reminding all students of the expectations at the beginning of every school term.

(See Teaching and Learning Policy for further information.)

4.7 Electronic Devices

The use of mobile telephones, tablets, electronic devices, headphones, ear pods are not permitted to be used during lessons unless requested by a member of staff. It maybe that for safety reasons, students may require to have access to a phone on the way to or from school.

- Phones/Devices/Earphones must be kept away and out of sight during and in between lessons unless instructed otherwise by a member of staff
- Phones/Devices/Earphones - can only be used outside of the building for leisure purposes at the following times:
 - Break*
 - Lunch*
 - Before & After school*
- Any disruption to the learning environment or operation of the school with a phone/device/headphones will be dealt with by a first warning and told to put the item away
- If the device is used again the item will be confiscated for the remainder of the lesson
- Students who refuse to follow this guidance will result in further sanctions and their right to have a phone/device in school be removed

(See the Electronic Device/Mobile Phone Policy.)

4.8 Student Support

- The school recognises its legal duty under the Equality Act 2010 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the student.
- The schools' special educational needs co-ordinator will help to evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.
- Where necessary, support and advice will also be sought from specialist teachers, educational psychologist, medical practitioners and/or other professionals, to identify or support specific needs.
- When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.
- Abbeyfield has specific staff who are trained in the 'Thrive Approach' support strategy, which is designed to re-engage those children who face challenges with their emotions and behaviour in learning.

4.9 Thrive Approach - Whole School Intervention

Thrive is a systematic method of identifying gaps in children's emotional and social development, supporting them to re-engage with education and life.

The benefits are:

- Helping children and young people to regulate their own behaviour and learn about their emotions.
- Reduce all types of exclusion, improve attendance and achievement for all
- Strengthen links with parents and carers ensuring a joined-up approach to support children with their SEMH needs

4.10 Student Transition

- To ensure a smooth transition to the next year or phase of education, students have transition sessions and updates with their teachers and/or varying transition leads. This maybe in small groups, 1-1 meetings or in school parent information evenings/meetings.
- To ensure that the right support is in place, information related to a student's progress, behaviour and need will be transferred to the relevant staff at the start of the term or year. This Information will also be shared with new settings for those students transferring to other schools.

4.11 Sixth Form

We expect our sixth form students to be good ambassadors and model high standards of behaviour and conduct. All students within the sixth form are included within the terms of the Behaviour Policy, however it may be appropriate in some cases for different sanctions to be applied. Sixth form students are not expected to wear uniform but should dress for school in a manner that is considered as appropriate for a work environment. Students in the Sixth Form will be subject to the same processes should their behaviour or motivation fall below the high expectations of Abbeyfield School.

5. Rewards and Consequences

5.1 Rewards

When students successfully follow the school's guidelines and meet the school's expectations for good behaviours, we endeavour to recognise this.

Our present rewards system includes, in no particular order:

- Verbal praise, either personal or public
- 'Pings' – via Class Charts reward System
- Positive comments in exercise books, and students' work
- Recognition in assembly
- Postcards Home
- End of term / year celebration assembly
- Good references for students when they leave the school
- Other ways that may not be defined above.

5.2 Consequences

(See Appendix 2 Graduated Response)

When behaviour does not meet our high expectations, we employ a range of support strategies to address this. These are noted below and again are in no particular order. The school's rationale for imposing consequences is to correct behaviour and realign students' actions with the school ethos. The level of response will depend on the seriousness of the offence, whether or not it has happened before and the student's previous disciplinary record. If a student has not amended their behaviour, from a previously imposed consequence, a further significant consequence will be applied.

5.3 Definitions - Misbehaviour

Misbehaviour is defined as:

- Behaviour and attitudes that cause disruption to lessons, in corridors between lessons, at break and lunchtimes; on the way to and from school
- Non-completion of classwork or homework – including non-engagement in learning opportunities
- Poor attitude towards all aspects of school life
- Incorrect wearing of the school uniform

Consequences include:

- Verbal warning/reprimand - 'expectations reaffirmed'
- Detention at break time, lunchtime or after school
- Head of Year or Head of Department Intervention
- Placed on Behaviour or Academic Report for a period of time
- Letter/Email or phone call home
- In school parental and professional meeting
- Removal of privileges
- Referral to Assistant or Deputy Headteacher
- Removal from lesson into the department Safety Net

- Supported Isolation – RESET Room
- Fixed term exclusion
- Permanent exclusion
- Educated in SWaS (School Within a School) – on site Alternative Provision
- Behaviour Agreements, Individual Behaviour Plans (IBP), Pastoral Support Plans (PSP) and referral to other agencies or working with a Common Assessment Form (CAF)
- Referral to the Quality of Education Committee Panel
- Managed Move to another School (Fresh Start)

Abbeyfield School would always acknowledge that equitable decisions are important, but also that every situation is different, history of behaviour is different and students' response to previous sanctions is different. This may equate to a different school response from one student to another.

5.4 Detentions

A detention is a significant consequence for any student and should be considered a point at which a student needs to reflect on their approach and behaviour.

- Detentions are issued as a last resort and will be used consequently to give time to reflect on poor behaviour, have restorative conversations or to complete homework. Students may be detained during break or lunch times, or after school.
- Parents/carers will be informed via Class Charts for afterschool detentions with twenty-four hours' notice and it is essential that students attend detentions to avoid a further and more serious sanction.

(DfE Guidance – Behaviour & Discipline in Schools (Jan 2016), states that 'parental consent is not required for a teacher to detain a student'.)

5.5 Internal Exclusion and RESET Room

This is a specially designated intervention for students whose behaviour has been unacceptable and has fallen below our expectations. The intervention is designed to allow students time to reflect on the behaviour or conduct that has led to the consequence and to carry out tasks that support students re-entering the learning environment.

- They are expected to work in silence and are given relevant work to complete. Students are always supervised, and the room operates between 8.30am and 3.30pm.
- Students who do not follow the reasonable requests of staff and follow the procedures will face further consequences and could be subject to further exclusion until the issue/concerns are resolved.

5.6 Serious Misbehaviour

Is defined as:

- Repeated breaches of the school rules
- Any form Bullying/Peer on Peer abuse such as: racism, sexism & sexual harassment (see 5.7) homophobia, discriminatory behaviour of any sort/type
- Sexual violence, such as rape, assault by penetration, or sexual assault (intentional sexual touching without consent) Sexual harassment, meaning unwanted conduct of a sexual nature, such as:
 - Sexual comments
 - Sexual jokes or taunting

- Physical behaviour like interfering with clothes
- Online sexual harassment such as unwanted sexual comments and messages (including on social media), sharing of nude or semi-nude images and/or videos, or sharing of unwanted explicit content
- Setting off a fire alarm – (hoax)
- Vandalism
- Theft
- Fighting
- Smoking – repeated/on the way to and from school or being with students who are smoking
- Use of verbally abusive language towards or about staff or within hearing range of staff
- Direct refusal to follow instructions
- **Possession of any prohibited items, these are:**
 - Knives or Weapons
 - Alcohol
 - Illegal drugs and any harmful substances or drug related paraphernalia
 - Stolen items
 - Tobacco, E Cigarette/Vape and any other smoking related paraphernalia
 - Fireworks
 - Pornographic or Exploitation/Sexually Explicit images
 - Any article a staff member reasonably suspects has been, or is likely to be, used to commit an offence, or to cause personal injury to, or damage to the property of, any person

5.7 Sexism & Sexual Harassment

We want everybody at Abbeyfield to feel included, respected, and safe in our school. We will not tolerate verbal abuse, which includes name-calling and sexist comments.

Sexist comments are those which discriminate based on sex, particularly against women.

Sexism also includes behaviour or attitudes that create stereotypes of social roles based on sex.

At Abbeyfield we have an inclusive community and one in which we support and encourage all students to speak out about any cases, forms, or incidents of sexual abuse even those that are deemed low level should not be ignored.

We will do the following:

- Take their safety and wellbeing seriously
- Listen to their concerns
- Act upon their concerns
- Not tolerate or accept abuse

By reporting and raising the profile of such incidents this will benefit not only the victim but the community as a whole and will help:

- The victim(s), by stopping the problem and getting the help and support they need
- Other people, by preventing it happening to someone else
- The alleged perpetrator(s), catching problematic behaviour early can help them avoid criminal offences later in life

All staff and pupils are encouraged to call out and/or report this behaviour. If pupils make these comments, we will:

- Ask them to apologise to anyone the comment was directed at
- Support and educate them to improve their behaviour
- Monitor their behaviour for any recurrence
- Escalate the consequences in proportion to the offence to and involve parents/carers if the pupil refuses to apologise in the first instance

As well as focusing on what's inappropriate, our PSHE curriculum will cover what healthy respectful relationships towards one another looks like to support pupils to understand what good and healthy sexual behaviour means.

In PSHE we will cover important areas such as:

- Consent
- What respectful behaviour looks like
- Body confidence and self-esteem
- Healthy relationships

Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's Zero-Tolerance response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

Sanctions for sexual harassment and violence may include:

- A verbal warning
- Keeping the pupil behind after class to apologise to their peer
- A letter or phone call to parents
- Detention
- Community service, for example litter picking
- Fixed-term (length dependent on incident) or permanent exclusion

At Abbeyfield if there are any allegations or concerns regarding a child's safety or wellbeing we will respond in a timely manner and in accordance with the schools Safeguarding Policy and Procedures which may include some of the processes below.

The school's response to a report/allegation

Carrying out risk assessments, where appropriate, to help determine whether to:

- Manage the incident internally
- Refer to early help
- Refer to children's social care
- Report to the police

Please refer to individual school safeguarding policies and procedures for more information

Consequences

The response to each incident will be proportionate and will be addressed in a range of ways. We will also balance the importance of safeguarding other pupils with the need to support, educate and protect the alleged perpetrator(s). The school will apply consequences that are in line with the considerations in the list below

We will consider:

- The age and developmental stage of the alleged perpetrator(s)
- The nature and frequency of the alleged incident(s)
- How to balance the sanction alongside education and safeguarding support (if necessary, these will take place at the same time)

5.8 Suspensions *(See Appendix 3 - Pastoral Support Pathway)*

Any suspension from school is reserved for serious offences or persistent misbehaviour and therefore:

- Suspensions are applied to emphasise the gravity of the offence
- To recognise that a period of reflection is appropriate
- Could be internal (RESET), for a fixed time or permanent

Exceptional Circumstances could be the following 'One Off' offences:

- Serious actual or threatened violence against another student or a member of staff
- Sexual abuse or assault
- Possession or supply of an illegal substance on the school site
- Bringing an illegal substance onto the school site
- Carrying an offensive weapon

These instances are by no means exhaustive but indicate the severity of such offences and the fact that such behaviour can affect the discipline and well-being of the school community.

In addition, the Headteacher may suspend a student permanently for persistent and defiant misbehaviour including bullying (which would include racist or homophobic bullying).

In cases where a student has been permanently excluded for any of the above 'one off' reasons, the Governors' Quality of Education Committee or an Independent Appeal Panel would not be expected to reinstate the student.

(See Exclusion Policy for further guidance)

5.9 Off-site Behaviour

Consequences may be applied where a student has misbehaved off-site when representing the school, such as on a school trip or on the bus on the way to or from school.

5.10 Malicious allegations

Where a student makes an accusation against a member of staff and that accusation is shown to have been malicious, the headteacher will discipline the student in accordance with this policy.

Please refer to our Safeguarding Policy and Statement of Procedures for dealing with allegations of abuse against staff for more information on responding to allegations of abuse. The headteacher will also consider the pastoral needs of staff accused of misconduct.

6. Bullying

All members of Abbeyfield School community have the right to feel safe. Any form of bullying is treated seriously and followed up as a matter of priority with all incidents of bullying logged securely.

6.1 Bullying is defined as:

"Any physical, verbal or indirect abuse which is deliberately and repeatedly hurtful causing distress to an individual or group where the relationships involves an imbalance of power". This includes cyber bullying.

We use the principles of STOP to help identify bullying –

- Several
- Times
- On
- Purpose

(Details of our school's approach to preventing and addressing bullying are set out in our Anti-Bullying Policy.)

7. Roles and Responsibilities

7.1 The Quality of Education Committee

The Abbeyfield School Quality of Education Committee is responsible for reviewing and approving the written statement of behaviour principles.

They will review this behaviour policy in conjunction with the headteacher and monitor the policy's effectiveness, holding the headteacher to account for its implementation.

7.2 The Headteacher

The Headteacher is responsible for reviewing and approving this behaviour policy in conjunction with the Abbeyfield Quality of Education Committee, giving due consideration to the school's statement of behaviour principles.

The Headteacher will ensure that the school environment encourages positive behaviour and that staff deal effectively with poor behaviour and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

7.3 Staff

Classroom Management

Teaching and support staff are responsible for creating an environment for all students to learn and a culture for all to aspire to be the best that they can be. Setting the tone and context for positive behaviour within the classroom is essential.

They will:

- Create and maintain a stimulating environment that encourages students to be engaged
- Display the Abbeyfield Way and In-Class graduated response in their classroom
- Develop a positive working relationship with students, which will include:
 - Implementing the behaviour policy consistently
 - Model positive behaviour and apply positive behaviour strategies for all students
 - Greeting students in the morning and at the start of lessons
 - Establishing clear and consistent routines that are in line with the whole school expectations

- Communicating expectations of behaviour in ways other than verbally
- Highlighting and promoting good behaviour – catching students being good
- Concluding the end of lessons or day positively and starting the next day afresh
- Understanding the needs of all students and having a plan for dealing with low-level disruption
- Using positive reinforcement and unconditional positive self-regard
- Providing a personalised approach to the specific behavioural needs of students with additional needs
- Record all behaviour incidents using class charts
- Liaise with parents/carers as and when necessary and as their role or responsibility dictates
- Staff will be supported as necessary when managing behaviour related incidents that fall in line with the schools graduated response. Tutors play a key role in supporting students and are the first point of contact. Heads of Year oversee all aspects of Behaviour, Attendance, Safeguarding and Rewards for their Year group/s. Several other staff are also available as and when necessary, including Pastoral managers, Assistant and Deputy Headteachers.
- The Deputy Headteacher has oversight of 'Behaviour for Learning' and is responsible for all related matters at an operational and strategic level. The Deputy Headteacher is responsible for reporting the impact of the policy to the Senior Leadership Team and Quality of Education Committee on all related matters.

7.4. Training

Staff are provided with up-to-date positive behaviour management training that meets the needs of all learners at Abbeyfield School and beyond. This forms part of an induction process and on-going professional development at regular intervals throughout the academic year.

7.5 Parents

Parents are expected to:

- Support the school by ensuring that their child adheres to the student code of conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the class teacher promptly
- Attend in school meetings to support both academic and behaviour related progress of their child
- Log in and use Class Charts to monitor their child's daily/weekly progress

8. Behaviour Management

8.1 Confiscation

Any prohibited items (listed in section 5.6) found in students' possession will be confiscated. These items will not be returned to students.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate.

8.2 Searching and Screening

Searching and Screening students is conducted in line with:

DfE's Searching Screening & Confiscation Advice (January 2018).

The Department for Education advice links this aspect to the following legislation:

- Education Act 1996
- Education and Inspections Act 2006
- The Schools (Specification and Disposal of Articles) Regulations 2012
- The School Behaviour (Determination and Publicising of Measures in Academies) Regulations 2012
- Health and Safety at Work etc. Act 1974

8.3 Searching a Student

- Headteachers and staff authorised by them have a statutory power to search students or their possessions, without consent, where they have reasonable grounds for suspecting that the student may have a prohibited item.
- Headteachers and authorised staff can also search for any item banned by the school rules which has been identified in the rules as an item which may be searched for.
- School staff can seize any prohibited item found because of a search. They can also seize any item, however found, which they consider harmful or detrimental to school discipline.

8.4 Informing Parents and dealing with concerns

- Abbeyfield School is not required to inform parents before a search takes place or to seek their consent to search their child.
- The member of staff must decide in each particular case what constitutes reasonable grounds for suspicion.
- The powers allow school staff to search regardless of whether the student is found after the search to have that item. This includes circumstances where staff suspects a student of having items such as illegal drugs or stolen property which are later found not to be illegal or stolen.
- Authorised school staff can view CCTV footage to support decision-making as to whether to conduct a search for an item.
- There is no legal requirement to make or keep a record of a search.
- Schools should inform the individual student's parents or carers where alcohol, illegal drugs or potentially harmful substances are found, though there is no legal requirement to do so.
- Concerns about searching should be dealt with through the normal school complaints procedure.

8.5 Use of Reasonable Force

The Education and Inspections Act 2006 explains the legal provisions on school discipline and provides the staff with the power to use reasonable force to prevent students committing an offence, injuring themselves or others, or damaging property, and to maintain good order and discipline in the classroom.

- The term 'reasonable force' covers the broad range of actions used by most teachers at some point in their career that involve a degree of physical contact with students.
- Force is usually used either to control or restrain. This can range from guiding a student to safety by the arm through to more extreme circumstances such as breaking up a fight or where a student needs to be restrained to prevent violence or injury.
- 'Reasonable in the circumstances' means using no more force than is needed.
- As mentioned above, schools generally use force to control students and to restrain them. Control means either passive physical contact, such as standing between students or blocking a student's path, or active physical contact such as leading a student by the arm out of a classroom.

- Restraint means to hold back physically or to bring a student under control. It is typically used in more extreme circumstances, for example when two students are fighting and refuse to separate without physical intervention.
- All members of school staff have a legal power to use reasonable force.
- Where the use of reasonable force has been identified as part of a student's care plan, individual behaviour plans are implemented to ensure that its use is undertaken appropriately, only when necessary and safely.

8.6 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents
- In line with *DfE Use of Reasonable Force (July 2013)*.

Where a student has been restrained, a record will be completed, kept securely, and signed by the members of staff involved. The Headteacher or another member of SLT (in the Headteachers absence) will also sign off each record.

8.7 Abbeyfield working with other Professional Agencies

The school has formed strong working relationships with a range of professional agencies which include Children's Services and the Police. There are occasions when professionals attend school to meet with staff and students. In particular, the Police/PCSO may chat to students at break, lunch time and after school on an informal basis.

There are occasions when the Police and PCSO's will need to speak with a student/s. This may be for interview or words of advice. If this is the case, parents/carers will be informed prior to this and can then advise or decide on the next step for their child.

- On rare occasions a school may be instructed by the Police NOT to make contact with the parent/carer; this is because it may jeopardise a Police investigation.
- There are also cases when police will need to act with urgency and immediacy to protect student and staff welfare or to preserve evidence. In cases like this, parents will be notified when deemed appropriate by the school

9. Complaints Procedure

Abbeyfield School wishes to resolve all complaints at the earliest opportunity. However, where this is not possible, please refer to the complaints policy.

(See Parental Complaints Policy for further guidance)

10. Monitoring arrangements

This behaviour for learning policy will be reviewed by the Headteacher and Abbeyfield School Quality of Education Committee every academic year. At each review the effectiveness and impact of the policy will be monitored through a range of evidence bases.

This will include:

- Achievement and Attainment Data
- Learning Walks and Lesson Observations
- Attendance and Punctuality data
- Class Charts Behaviour Log data
- Exclusion's data
- Internal Exclusion Room data
- Student and Staff Voice

Line Management meetings will support the monitoring of the policy and procedures; and will allow relevant staff to evaluate the effectiveness of in school interventions such as:

- Fixed Term Exclusions and Internal Exclusions
- RESET Room
- Personal Development, Character, Behaviour & Welfare

The day-to-day procedures that ensure the smooth operational practice may be changed at the discretion of the Deputy Headteacher and Headteacher and reported to Governors retrospectively. The Governors will review and approve the policy and procedures.

Appendix 2: Graduated Response

Abbeyfield Behaviour Standards and Expectations

Graduated Response

At Abbeyfield School we believe that everyone has a right to learn in a safe and secure environment and in a community where people feel free to be themselves. Behaviour which challenges this community will result in consequences. All staff have a responsibility to maintain a calm environment around the school at all times. Below is the graduated response for lessons, staff will use this model as a framework to support students' engagement and behaviour

Abbeyfield School Graduated Response

**All students are to meet Behaviour Expectations
and settle to learn promptly**

'Your perseverance will help you succeed'
